JLR No. 26860

EXPLANATORY NOTE

The purpose and effect of Zoning By-law No. ____/2015 is to repeal the Comprehensive Zoning By-law No. 78-13 for the Corporation of the Town of Smooth Rock Falls and replace it with a new document to regulate land uses for the municipality. The zone boundaries, permitted uses, and regulations are consistent throughout the Town and ensure conformity with the 2014 Official Plan. The By-law includes the regulation of the use of land, the size and location of buildings and structures, and parking requirements in the Town of Smooth Rock Falls. The new By-law also addresses and regulates uses such as: accessory apartments, boarding houses and lodging camps; portable garages, shipping containers, and small scale solar power installations and wind turbines, and updates regulations such as setbacks and vegetation adjacent to the waterfront to be in conformity with the Official Plan.

SECTION 1 AUTHORIZATION AND ADMINISTRATION

1.1 Title

This By-law shall be known as the “Zoning By-law” or By-law No. 2015-____ of the Corporation of the Town of Smooth Rock Falls.

1.2 Effective Date

This By-law comes into force and takes effect on _____.

1.3 Defined Area

The provisions of this By-law shall apply to all lands within the incorporated limits of the Town of Smooth Rock Falls.

1.4 Scope

No land shall be used and no building or structures shall be erected, altered, enlarged, or used within the Town of Smooth Rock Falls except in conformity with the provisions of this By-law.

No lands shall be severed from any existing lot if the effect of such action is to cause the original, adjoining, remaining, or new building, structure, or lot to be in contravention of this By-law.

1.5 Existing Uses Continued

Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

1.6 Prior Building Permit Issued

Nothing in this By-law shall prevent the erection or use of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Building Inspector prior to the date of passing of this By-law, provided:

- a) When the building or structure is erected, it shall be used and continue to be used for the purpose for which the building permit was issued; and
- b) The erection of such building or structure is commenced within 2 years of the date of passing of this By-law and provided the erection of such building or structure is completed within a reasonable time after the erection thereof is commenced.

1.7 Compliance with Other Restrictions

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

1.8 Interpretation

The provisions of this By-law shall be held to be the minimum requirements except where the word maximum is used in which case the maximum requirement shall apply.

In this By-law the word 'shall' is mandatory; words in the singular include the plural; words in the plural include the singular; words in the present tense include the future; the masculine includes the feminine.

1.9 Measurements

Measurements contained in this By-law are in metric units only. Where imperial units appear, such units do not form part of this By-law; they are to be considered as ancillary information only and are provided only for the convenience of the reader.

1.10 Administrator

This Zoning By-law is administered by the Town Clerk, Treasurer, Chief Administrative Officer, or an appointee. A certified true copy is on file in the office of the Town of Smooth Rock Falls.

1.11 Occupancy or Building Permit, Certificate, or Licence

- a) No change shall be made in the type of use of any land, building, or structure within any zone, without first obtaining a Certificate of Occupancy from the Municipality to the effect that the proposed use conforms to this By-law.
- b) No municipal permit, certificate, or licence shall be issued for a proposed use of land or a proposed erection, alteration, enlargement, or use of any building or structure that is in contravention of any provision of this By-law.

1.12 Applications and Plans

In addition to the requirements of any Building By-law, every application for a building permit shall be accompanied by sufficient information, in an appropriate form, to determine whether the building or structure conforms to the requirements of this By-law. This shall include:

- a) A plan drawn to scale showing the true dimensions of the lot to be built on and used; the location, height, and dimensions of any existing or proposed building, structure, and use; the location of any required setback and the proposed location and dimension of any yard, landscaped open space, and off-street parking and loading required by the By-law; and
- b) A statement signed by the Owner giving the exact use proposed for each building, structure, or the proposed use of the lot to determine whether such building, structure, or use conforms to this By-law.

Notwithstanding the above, applications that do not affect the external dimensions of the building, number of dwelling units, or useable floor area may not require the information contained in subsections a) and b).

1.13 Request for an Amendment

Where an amendment to this Zoning By-law is requested by an owner of land in the Municipality, the said owner shall complete and submit to the Municipality, prior to his request being considered, an application form for Amendment to the Zoning By-law.

1.14 Inspection of Premises

The Town Clerk, Treasurer, Chief Administrative Officer, or any employee of the Town of Smooth Rock Falls acting under direction, may, at any reasonable hour (as set out by Council), enter and inspect a property or premises under the Power of Entry By-law 2014-26, or its successors, where there is reason to believe that any land has been used or any building or structure has been erected, altered, enlarged, or used in violation of any of the provisions of this By-law.

1.15 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine recoverable under the *Provincial Offenses Act*. Each day of violation shall constitute an offence.

In the case of any lot being used, any building or structure being erected, altered, reconstructed, or extended or part therefore being used in contravention of any provision of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Municipal Act* or the *Planning Act* in that behalf.

1.16 Validity

If any portion of this By-law is for any reason declared invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this By-law.

1.17 Repeal of Existing By-laws

The following By-laws passed pursuant to Section 34 of the *Planning Act* are hereby repealed and such repeal shall come into effect upon the date this By-law comes into force:

- By-law No. 78-13 and amendments thereto.

1.18 Technical Revisions

Revisions may be made to this By-law without the need for a Zoning By-law Amendment in the following cases:

- a) Correction of grammar, punctuation or typographical errors, or revisions to format in a manner that does not change the intent of the By-law;
- b) Adding or revising technical information on maps or schedules that does not affect the zoning of lands including, but not limited to, matters such as updating and correcting infrastructure information, keys, legends, or title blocks; and

- c) Changes to appendices, footnotes, headings, indices, marginal notes, tables of contents, illustrations, historical or reference information, page numbering, footers, and headers, which do not form a part of this By-law, and are editorially inserted for convenience or reference only.

No accessory building shall be constructed or used for the purposes of a home based business;
 - (vi) The activity shall not create or become a nuisance, in particular, in regard to noise, odour, vibration, traffic, television or radio reception, or parking.
- c) In addition to the foregoing uses, in the Rural Zones, Rural Home Based Businesses, as defined in this By-law, shall be permitted in accordance with the following provisions:
- (i) No more than 3 persons, other than residents shall be employed on the premises in the rural home based business;
 - (ii) There shall be no advertising, other than a legal sign, to indicate that any part of the lot is being used for a rural home based business. Such legal sign shall not be more than 0.6 m² (6 ft²) in area and not flashing;
 - (iii) Such rural home based business shall be clearly secondary to the main rural use;
 - (iv) There shall be no open storage of materials, supplies, tools, equipment, or goods which are used for, or result from the rural home based business, unless such open storage is a minimum of 12.2 m (40 ft) from any lot line and a minimum of 45.7 m (150 ft) from a residential use on another lot; and
 - (v) The rural home based business shall not create or become a public nuisance in regard to noise, traffic, or parking.
- d) Additional Provisions
- (i) Parking requirements shall be calculated as per Section 3.21 of the Zoning By-law.
 - (ii) Home based businesses may be subject to Site Plan Control.

3.11 Lanes as Yards

Where the rear lot line of a lot adjoins any portion of a lane, one-half of the width of that portion of such lane may be considered part of the lot for the purpose of computing the lot area and the rear yard depth of the lot.

3.12 Lots Divided into More Than One Zone

Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is

located and the lot shall be considered as separate lot for the purpose of determining zone provisions. Notwithstanding the foregoing, for lots which are partially in a holding zone of the "h" type or on an Environmental Protection Zone, the entire lot shall be used to determine zone requirements such as area, frontage, coverage, and setbacks.

3.13 Mobile Homes

The locating of a mobile home or mobile home park is prohibited within the Town of Smooth Rock Falls, except as provided in a specific zone for this purpose.

3.14 Municipal Services

No person shall hereafter erect and use in whole or in part any building or structure without municipal piped services for any purpose in the R1, R2, R3, RMH, C, and I Zones, except where specifically permitted as an exception to this By-law.

3.15 Non-Complying Buildings, Structures, and Lots

a) Alterations to Non-Complying Buildings and Structures

Nothing in this By-law shall prevent the enlargement, reconstruction, renovation, or repair of an existing non-complying building or structure provided such enlargement, reconstruction, renovation, or repair shall not provided such extension or addition does not further contravene any of the provisions of this By-law.

b) Use of Undersized Lots

Where a lot having less than the minimum lot area or frontage required by this By-law, exists on the date of passing of this By-law or is increased in area or frontage but still does not meet the minimum area or frontage requirements of this By-law, such lot may be used for a purpose permitted in the zone in which it is located provided that all other applicable provisions in this By-law are met.

c) Expropriation and/or Road Widening

- (i) If any legally existing building or structure would become non-complying as a result of a road widening or an expropriation, by having its front yard, exterior side yard, or setback reduced, the said existing building or structure shall be deemed to be complying for the purposes of this By-law.
- (ii) If any legally existing lot would become non-complying as a result of a road widening or an expropriation, by having its lot area and/or lot frontage reduced, the said existing lot shall be deemed to be complying for the purposes of this By-law.

3.16 Non-Conforming Buildings and Structures

a) Rebuilding or Repair Permitted

Nothing in this By-law shall prevent the rebuilding or repair of a non-conforming building or structure that is damaged subsequent to the date of passing of this By-law, provided that the external dimensions of the original building or structure are not increased, and the use of the building or structure is not altered, unless altered to a permitted use.

b) Strengthening Permitted

Nothing in this By-law shall prevent the strengthening to a safe condition of a non-conforming building or structure, including the installation of eaves troughs, siding, brick, or insulation whose sole purpose is to improve the exterior of the building, provided that the floor area of the original building or structure is not increased and the use of the building or structure is not altered, unless altered to a permitted use.

c) Dwelling House in a Commercial Zone

Nothing in this By-law shall prevent the alteration of an existing dwelling house in any Commercial Zone, provided that the number of dwelling units is not increased and provided further that such alteration does not contravene any of the provisions of this By-law for such use in a Residential Zone.

d) Change of Use

The use of any lot, building, or structure which is not permitted in the zone in which it is located shall not be changed except to a use which is listed as a permitted use in such zone or to a use which is authorized by Council pursuant to its powers under the *Planning Act*.

3.17 Noxious Uses

No use shall be permitted which from its nature or the materials used therein, is declared to be a noxious trade, business, or manufacture.

3.18 Occupancy Restrictions

No human habitation nor an occupation or activity conducted for gain or profit unless specifically permitted elsewhere in this By-law shall be permitted in the following buildings, structures, or parts thereof:

- a) any private garage or other building which is accessory to a residential use;
- b) any truck, bus, coach, or streetcar body whether or not the same is mounted on wheels;
and

- c) any trailer or recreational vehicle.

3.19 Open Storage

Open Storage shall be restricted to the Highway Commercial, Rural Commercial-Industrial, and Industrial Zones in accordance with the following:

- a) Any open storage use shall be accessory to the use of the main building on the lot.
- b) Any open storage use shall comply with the yard provisions of this By-law.
- c) No open storage use shall cover more than 35% of the lot area.
- d) In the HC Zone, open storage shall not be permitted within any front, side, or rear yard where the HC Zone abuts any Residential or Institutional Zone;
- e) In the M1, M2, and M3 Zones, open storage shall not be permitted within any front yard nor within the minimum side or rear yard where these zones abut any Residential or Institutional Zone;
- f) A strip of landscaped open space, a minimum of 3.0 m (10 ft) wide shall be provided around all sides of an open storage area which abut adjacent properties;
- g) Where open storage areas abut Residential or Institutional Zones, the required landscaped open space must also include visual screening. Any combination of plant materials, landscaped berms, or fencing may be used, but such materials must provide an effective visual screen between the open storage areas and the abutting properties;

3.20 Outdoor Illumination

Outdoor illumination of buildings, structures, or yards, including parking areas, shall be permitted provided the fixtures are so designed and installed that the light is directed downward and is directed away from adjacent lots or streets.

3.21 Parking Area Requirements

Parking spaces and areas are required under this By-law in accordance with the following provisions.

- a) Number of Spaces

c) Exception for Downtown Commercial Properties

Notwithstanding Sections 3.21 a) and b), for properties in the General Commercial (C) Zone located on Main Street, no onsite parking requirement shall apply.

d) Size of Parking Spaces

- (i) Every standard parking space shall have the minimum area of 18.6 m² (200 ft²).
- (ii) Accessible parking spaces shall be a minimum of 4.6 m (15 ft) x 6.1 m (20 ft).

e) Location

- (i) Required parking in any Residential Zone shall be provided on the same lot as the dwelling unit;
- (ii) In all other zones, the parking area and its access shall be located in the same zone and within 152.4 m (500 ft) of the lot it is intended to serve;
- (iii) Where the required parking is provided away from the lot on which the use or building served is located, the parking spaces shall be in the same ownership or on a renewable long term lease, and the parking facilities shall be maintained for the duration of the use; and
- (iv) Parking areas shall be permitted as follows:

In Residential Zones in all yards, provided that no part of any parking area, other than a driveway, is located closer than the minimum required front yard depth to any street line.

In institutional, commercial, open space, or rural zones, in all yards provided that no part of any parking area, other than a driveway, is located closer than 0.9 m (3 ft) to any street line.

In an industrial zone, in interior or rear yards only, except for visitor parking covering not more than 15% of the yard area in which it is located, and provided

that no part of any parking area, other than a driveway, is located closer than 0.9 m (3 ft) to any street line.

f) Access

- (i) Except in Residential Zones, every parking space shall be provided with unobstructed access to a street by a driveway, aisle, or lane of no less than 6.1 m (20 ft) and not more than 9.1 m (30 ft) in width;
- (ii) In the case of a building used for residential purposes only and containing no more than two residential purposes only and containing no more than two dwelling units, the width of the access route shall be no less than 3.0 m (10 ft) and no more than 9.1 m (30 ft) and vehicles may be parked in tandem;
- (iii) No more than two driveways, aisles, or lanes will be permitted for each lot and for every 30.5 m (100 ft) of frontage exceeding 30.5 m (100 ft), an additional driveway, aisle, or lane shall be permitted;
- (iv) The maximum width of any abutting driveways along a common lot line, measured along the street line, shall be 9.1 m (30 ft) except for Industrial Zones;
- (v) The minimum distance between two separate driveways on one lot, measured along the street line, shall be 7.6 m (25 ft);
- (vi) The minimum distance between a driveway and an intersection of street lines, measured along the street line intersected by the driveway shall be 9.1 m (30 ft) for all residential uses in the residential zones and shall be 15.2 m (50 ft) in all other zones;
- (vii) The minimum angle of intersection between a driveway and a street line shall be 60 degrees;
- (viii) No driveway shall be established closer than 1.2 m (4 ft) to a side lot line, provided this shall not prevent the establishment of abutting driveways along a common lot line if their combined width does not exceed 9.1 m (30 ft);
- (ix) Access to parking areas for Commercial or Industrial uses shall not pass through a Residential Zone; and
- (x) In all cases, parking spaces shall be freely accessible in all seasons.

g) Parking Area Surface

Each parking area and driveway connecting the parking area with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles. Before being used, such parking areas and driveways shall be constructed of crushed stone, gravel, asphalt paving, concrete, paver stones, or similar materials and be provided with adequate drainage.

In the case of a dwelling house containing 3 or more dwelling units, such parking area and driveway shall be paved with an asphalt or concrete surface.

h) Loading Spaces

- (i) The owner or occupant of any lot, building, or structure erected or used for any purpose involving the frequent receiving, shipping, loading, or unloading of animals, goods, wares, merchandise, or raw materials shall provide and maintain loading spaces on the lot so occupied and not forming part of a street.
- (ii) The number of such loading spaces provided shall be in accordance with the floor area of the building or structure as follows:

Leasable Floor Area	No. of Spaces
less than 278.7 m ² (3,000 ft ²)	1
278.8 to 2,322.5 m ² (3,000 to 25,000 ft ²)	2
>2,322.5 to 7,432 m ² (25,000 to 80,000 ft ²)	3
>7,432 m ² (>80,000 ft ²)	3 plus 1 addt'l space for each 9,290 m ² (100,000 ft ²) of floor area or fraction thereof

Where there are two or more uses located on the same lot, the loading space requirements shall be the sum of the requirements for each use.

The loading space requirements shall not apply to any building or structure in existence at the date of passing this By-law so long as the floor area, as it existed at such date, is not increased. If an addition is made to the building or structure which increases the floor area, then additional loading space shall be provided as required in this Section for such addition.

(iii) Size of Loading Spaces

Each loading space shall be at least 13.7 m (45 ft) long, 3.7 m (12 ft) wide, and have a vertical clearance of at least 4.6 m (15 ft).

(iv) Location

The required loading spaces shall be provided on the lot occupied by the building or structure for which the spaces are required and such space shall not form part of any street or required parking area, and shall only be located in an interior side yard or rear yard, provided such loading spaces are located no closer than 18.3 m (60 ft) from any street line.

Where a loading space is located in a yard which abuts a Residential Zone, such loading space shall be screened from such Residential Zone in a manner and to the extent approved under this By-law.

(v) Access

Access to loading spaces shall be by means of a driveway at least 3.7 m (12 ft) wide for one way traffic and 6.1 m (20 ft) wide for two way traffic and located within the lot on which the loading spaces are located.

(vi) Surface

Each loading space and driveway connecting a loading space with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles. Before being used, such loading spaces and driveways shall be constructed of crushed stone, gravel, asphalt paving, concrete, paver stones, or similar materials and be provided with adequate drainage.

3.22 Planting Strips

a) Where a lot is used for a non-Residential purpose and:

- (i) The interior side lot line or rear lot line abuts a Residential use or undeveloped land in a Residential Zone; or
- (ii) Where such lot is in an Industrial Zone and the front, side, or rear lot line abuts a street line and the opposite street line abuts a Residential use or undeveloped land in a Residential Zone,

then the land adjoining such abutting lot line shall be used for no purpose other than a planting strip in accordance with the provisions of this subsection.

- b) The planting strip shall have a minimum width of 3.0 m (10 ft), measured to the lot line adjoining such planting strip.
- c) The planting strip shall be composed of trees, hedges, bushes, or other vegetation, a berm, or an opaque wall or fence.
- d) Notwithstanding subsection b), where a planting strip contains an opaque wall or fence having a minimum height of 1.5 m (5 ft), the width of the required planting strip may be reduced to 1.8 m (6 ft).
- e) Where a driveway or walk extends through a be permissible to interrupt the planting strip within 3.0 m (10 ft) of the edge of such driveway or within 1.5 m (5 ft) of the edge of such walk.
- f) A planting strip referred to herein may form part of any landscaped open space requirement.

3.23 Public Uses Permitted

In any zone, including holding zones, any land may be used and any building or structure may be erected and used for the purposes of a Public Authority provided that:

- a) The lot coverage, setback, and yard requirements prescribed for the zone in which such land, building, or structure is located shall be complied with, except for transmission facilities for gas, telephone, cable, and electric power (i.e.: poles, towers, lines, and similar elements), and rail transportation infrastructure;
- b) No goods, material, or equipment shall be stored in the open except in accordance with the zone provisions; and
- c) Any building or structure erected in a Residential Zone under the authority of this paragraph shall be designed and maintained in general harmony with the residential buildings of the type permitted in the zone.

Notwithstanding the provisions of this Section, to the contrary, waste disposal sites shall only be permitted in the Disposal Industrial Zone.

3.24 Sight Triangles

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- a) A building, structure, or use which would obstruct the vision of drivers of motor vehicles;
- b) A fence, tree, hedge, bush, or other vegetation, other than agricultural crops, the top of which exceeds 1.0 m (3.5 ft) in height above the elevation of the centrelines of abutting streets;
- c) A parking area; and
- d) A finished grade which exceeds the elevation of the centrelines of abutting streets by more than 0.6 m (2 ft).

The provisions of this section shall not apply within the C Zone.

3.25 Signs

The provisions of this By-law shall not apply to prevent the erection, alteration, or use of any legal sign provided that such sign complies with any By-law of the Corporation regulating signs and the provisions of this By-law regarding sight triangles.

3.26 Storage of Special Vehicles

No person shall use any lot in any Residential Zone for the purpose of parking or storing a boat, recreational vehicle, ATV, golf cart, snowmobile, or tourist trailer except under the following provisions:

- a) A maximum of 5 vehicles may be permitted to be parked or stored outside at any one time;
- b) Such vehicle shall not be located in any required parking space or sight triangle and not closer than 1.5 m (5 ft) to any lot line;
- c) Such vehicle may be located year-round in any interior side or rear yard;
- d) Such vehicle may be located on a seasonal basis in the front yard; and
- e) Notwithstanding the preceding, the limitations imposed herein shall not restrict the number of special vehicles that are stored fully enclosed within a private garage, carport, portable garage, or other building.

3.27 Temporary / Short-term Accommodations (Lodging Camps)

Where a Lodging Camp is permitted by this By-law, they are subject to the following provisions:

- (i) Lodging camps shall be considered temporary uses.
- (ii) The front and interior side setbacks from all structures shall be 30.5 m (100 ft).
- (iii) Notwithstanding the provisions of Section 3.21, parking shall be located in an interior side or rear yard only, and shall be setback from a lot line abutting a residential use or zone by 9.1 m (30 ft).
- (iv) For the purposes of Section 3.21, a lodging camp shall be considered a non-residential use and landscaping / buffering shall be provided in accordance with the provisions of Section 3.22.
- (v) Lodging camps may be subject to Site Plan Control in the Site Plan By-law.

3.28 Temporary Uses

- a) Any temporary construction facility such as a shed, scaffold, sales office, storage container, construction garage, temporary accommodation facility such as a recreational vehicle, and equipment incidental to building on the premises for a maximum period of two years shall be permitted in any zone. Temporary accommodation will only be permitted in the case when an existing dwelling is damaged to the extent that it becomes inhabitable and for the time period while reconstruction of the dwelling is in progress.

- b) Other temporary uses may be authorized from time to time by Zoning By-law amendment pursuant to Section 39 of the *Planning Act*.

3.29 Through Lots

Where a lot is a through lot, the requirements for front yards contained in this By-law shall apply to each yard abutting the street.

3.30 Vehicle Storage

Except within an approved wrecking yard, no person shall allow a vehicle without current licence plates to be parked outside on a lot for more than 6 months, subject to the following provisions:

- a) Said vehicle is only allowed in the rear yard;
- b) In a Residential Zone, only 1 such vehicle shall be allowed; and
- c) In all other zones no more than 3 such vehicles shall be allowed.

3.31 Water Setbacks

No building or structure other than a marine facility shall be located less than 7.6 m (25 ft) from the high water mark of a waterbody.

3.32 Wayside Pits and Quarries

Wayside pits and quarries and portable asphalt plants are generally permitted throughout the Town without the need to amend the Zoning By-law, provided no severe environmental disruption will occur and the site is not within a residential zone, wetland, or watercourse. The Town may require a rehabilitation plan as a condition of approval.

3.33 Yard Encroachments

Every part of any minimum required yard shall be open and unobstructed from the ground to the sky by any structure other than an accessory building or structure permitted elsewhere in this By-law, provided however, that those structures listed below shall be permitted to project into the minimum required yards indicated for the distances specified.

- a) Ornamental Structures

Belt courses, sills, cornices, eaves, gutters, chimneys, bay windows, pilasters, or other ornamental structures may project into any minimum required yard not more than 0.6 m (2 ft).

b) Porches, Balconies, and Steps

Open and roofed porches, sundecks, balconies, exterior stairs, and landings may project into any minimum required front, exterior side yard, or rear yard not more than 1.5 m (5 ft), provided that in the case of porches and steps, such uses are not more than 1.2 m (4 ft) above grade.

c) Patios

Uncovered patios and similar accessories may project into any minimum rear yard, provided they are not more than 0.6 m (2 ft) above finished grade.

d) Landscaping Features

Awnings, fences, garden trellises, and similar landscaping features, all plant materials, clothes poles, flag poles, retaining walls, and similar accessories may project into any minimum yard.

e) Established Building Line in Built-Up Area

Notwithstanding the yard and setback provisions of this By-law to the contrary, where a permitted building is to be erected on a lot in a built-up area where there is an established building line, such permitted building may be erected closer to the street line than required by this By-law provided such permitted building is not erected closer to the street line than the established building line on the date of passing of this By-law.

SECTION 4 ZONES

4.1 Zones

For the purpose of this By-law all land within the boundaries of the Town of Smooth Rock Falls is hereby divided and established into Zones which are shown on the attached Schedules by the accompanying symbols:

- a) Zone R1 – Residential First Density
Zone R2 – Residential Second Density
Zone R3 – Residential Third Density
Zone RMH – Mobile Home Park

Zone I – Institutional

Zone C – General Commercial
Zone HC – Highway Commercial
Zone AC – Adult Commercial
Zone RC – Rural Commercial-Industrial

Zone M1 – Light Industrial-Commercial
Zone M2 – General Industrial
Zone M3 – Heavy Industrial
Zone MX – Extractive Industrial
Zone MD – Disposal Industrial

Zone RU – Rural

Zone W – Waterfront

Zone OS – Open Space

Zone EP – Environmental Protection (Flood Plain)

- b) In addition, the following suffixes may be used in conjunction with any of the foregoing zones, in which case, the relevant provisions of Section 4.5 or 4.6 will apply respectively:
- -(numeral) : special exception zone
 - -h : holding zone

4.2 Schedules

The aforementioned zones together with the zone boundaries are shown on the attached Schedule “A” and Schedule “B” which forms part of this By-law.

4.3 Boundaries of Zones

Where the boundary of any zone, as shown on the attached Schedules are uncertain, the following provisions shall apply:

- a) where the boundary is indicated as following a street, lane, railway right-of-way, or other right-of-way, then the boundary shall be the centre line of such street, lane, railway, right-of-way, or other right-of-way;
- b) where the boundary is shown as approximately following a lot line or an extension of a lot line on a registered plan of subdivision or registered survey plan, the lot line or extension thereof shall be the boundary;
- c) where the boundary is shown as approximately following a watercourse, then the highwater mark shall be the boundary where no flood plain mapping exists. In the case where 1:100 year floodline is available, the boundary shall be the 1:100 year floodline; and
- d) where uncertainty exists as to the boundary of any one, then the location of such boundary shall be determined from the original Schedules which are available at the municipal office.

4.4 Streets and Rights-of-Way

- a) A street, lane, railway right-of-way, or other right-of-way shown on the attached Schedules shall be included, unless otherwise indicated, with the zone of adjoining property on either side thereof.

4.5 Special Exception Zones

- a) Where a zone symbol is followed by a dash and a number (for example "M1-1"), the lands so designated shall be subject to all of the provisions of the zone represented by such symbol, except as otherwise provided by the special exception provisions of the zone. These special provisions are listed separately under the appropriate zone (e.g. M1) in the text of this By-law.

4.6 Holding Zones

- a) Any parcel or area of land may be further classified as a holding zone with the addition of the suffix "-h". The intent is to signify Council's approval in principle to future development of the land for the purposes indicated by the symbol. The holding classification added to a given zone shall restrict development of the land until the requirements of the Official Plan related to holding zones have been met.
- b) Where a holding zone applies, no lands shall be used and no buildings or structures shall be erected or used for any purpose other than those uses existing for such land, building, or structure on the date of passing of this By-law. Any change from the holding status shall require an amendment to this By-law, and the Municipality may require that

the applicant enter into an agreement for the development of his/her lands prior to the amendment being approved.

4.7 Building, Structure, and Use Classification

The buildings, structures, and uses specifically named as permitted uses in a particular zone are the only uses permitted in the particular zone in which they are named and classified.

4.8 Temporary Use By-laws

Temporary use By-laws may have been passed by the municipality to allow temporary uses pursuant to Section 39 of the *Planning Act*. Temporary uses are shown on the schedules as special exceptions and details concerning the temporary use are included in the special exception text within the specific zone category.
